# A Fraction of the Pizza

Follow the pizza chef's instructions below to make the perfect pizza. The toppings can go on any slice, but every slice should have at least two toppings!

Fun fact: "Pizzaiolo" is the traditional term use for a pizza chef or pizza cook in Italy!

## Pizza Chef's Instructions

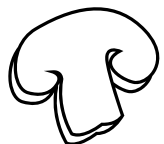

- Add pizza sauce to the whole pizza
- Add pepperoni to  $\frac{4}{8}$  of the pizza
- Add mushrooms to  $\frac{2}{8}$  of the pizza
- Add bell peppers to  $\frac{3}{8}$  of the pizza
- Add bacon to  $\frac{2}{8}$  of the pizza
- Add olives to  $\frac{1}{8}$  of the pizza
- Add onion to  $\frac{3}{8}$  of the pizza
- Add tomato to  $\frac{1}{8}$  of the pizza

# I Spy With My Pizza Eye

Count how many of each pizza topping you can find. Your total should be 105!
