   April 1, 2027 - April 30, 2027
   (each a "**Monthly Competition Period**")

   No purchase is necessary to enter or win, and purchase does not improve odds of winning. The Competition is void wherever prohibited by law, or where the Competition does not comply with applicable registration or filing requirements of any state or local jurisdiction. By entering the Competition, you agree to these Official Rules, which are a contract, so read them carefully before entering. This contract includes limitations of your rights and remedies.

2. **Participation and Tiering:** Schools who are Eligible Competitors (defined below) can participate ("**Participation**") by having students in their elementary school classes located in the United States (Grades 1-8) ("**Student Participants**") answer math questions in Prodigy World and/or Prodigy Arcadia. **NOTE: Questions answered in Prodigy Math Facts do not count towards Participation.** Any Participation must:

   - comply with these Official Rules in all respects;
   - not contain material that is offensive, defamatory, threatening, abusive, vulgar, sexist, discriminatory or otherwise inappropriate;
   - not promote or incite violent, dangerous or antisocial behavior;
   - not violate the terms of any employment, work for hire, or any other agreement; and
   - not in any other way violate any applicable law, rule, regulation, guideline or community standard (collectively, the "**Participation Requirements**").

   Eligible Competitors will be grouped into Tiers (Small/Heroic, Medium/Mythical and Large/Titan) for the Competition based on school enrollment. Tiering is based on the number of active students in the United States in grades 1-8 recorded by Prodigy and/or on publicly available NCES enrollment data and/or enrollment verification by an eligible school that is acceptable to Prodigy. Each Eligible Competitor will be placed into the corresponding Tier by Prodigy. Once an Eligible Competitor is placed in a Tier by Prodigy, it will remain in that Tier for the duration of the Competition unless a Tier change is mandated by Prodigy. All determinations made by Prodigy of an Eligible Competitor's Tier for the Competition are final. Tiers are as follows:

Tier	Enrollment Range (Grades 1-8)
Small/Heroic	1-299
Medium/Mythical	300-599
Large/Titan	600+

3. **How to Enter:** Schools that meet the Eligibility requirements in Section 4 are entered into a Monthly Competition when Student Participants in their grade 1-8 elementary school classes that are attached to the school correctly answer questions in Prodigy World and/or Prodigy Arcadia during any Monthly Competition Period. Questions answered in Prodigy Math Facts do not count. A teacher can attach their class to their school in the teacher application in Prodigy Math Game. Eligible Competitors can follow their progress in the Monthly Competition Periods by viewing the leaderboards for their State and Tier. Only correctly answered questions count towards an Eligible Competitor's total number of questions answered.

4. **Eligibility:** The Competition is open only to schools formally recognized and approved under state or a local education authority with grade 1-8 classes using Prodigy World and/or Prodigy Arcadia with classes attached to the school and located in the 50 United States and the District of Columbia (each a "**State**") **(NOTE: Maryland and District of Columbia are grouped together as a "State" for the purposes of the Competition)**, subject to all applicable federal, state and local laws and regulations ("**Eligible Competitors**"). For clarity, home schools or parent-directed education programs are not Eligible Competitors. An Eligible Competitor may join the Competition during any Monthly Competition Period and is not required to have participated in any prior Monthly Competition Period to enter. Schools that have at least one grade 1-8 class that is attached to the school that has, in a Monthly Competition Period used Prodigy World and/or Prodigy Arcadia and answered at least one (1) question correctly (**NOTE: questions answered in Prodigy Math Facts do not count**), are automatically opted into that Monthly Competition Period and become Eligible Competitors. Teachers and/or schools who wish to opt out of participating in the Competition can do so by clicking "Opt out of State Challenge" in the teacher application in Prodigy World. Eligible Competitors can only win one Monthly Competition in their Tier and State and after winning, are no longer eligible to compete and receive prizes for the Monthly Competitions however, Student Participants at a 1st place Eligible Competitor remain eligible for Milestone Rewards as described in Section 6 below.

   The Competition is not open to (a) any employees of Prodigy or any of the respective parent companies, subsidiaries, affiliates, or advertising or promotion agencies of any of the foregoing (such entities, collectively, the "**Promotion Parties**"), or (b) any such employee's immediate family members (*e.g.*, spouse, parent, step-parent, sibling, step-sibling, half-sibling, child, and step-child) or any person living in the same household as such individuals. **Any false or deceptive entries or acts associated with an Eligible Competitor (including, but not limited to, if applicable, creating or using multiple accounts in order to enter multiple times, having persons other than Eligible Competitors and/or Student Participants [e.g., teachers or parents) submit answers, stacking of assignments (e.g. repetition of below grade content assigned to students for the purpose of lowering question difficulty to inflate number of questions answered] or similar manipulation, use of robotic, automatic, programmed or similar methods of entry or to submit answers or stack assignments) ("Irregularities") may result in the disqualification of that Eligible Competitor and/or those answers being deducted from the Eligible Competitor's total number of correctly answered questions and/or classrooms or schools being declared ineligible to participate in subsequent Monthly Competitions.** Prodigy will adjudicate Irregularities and determine adjustments to total questions answered or changes to future eligibility on a case-by-case basis in its sole discretion. All decisions by Prodigy with respect to Irregularities or total questions answered will be final.

5. **Winner Selection and Notification:** Prodigy may disqualify any entry which it deems not in compliance with these Official Rules.

   Prodigy State Challenge™ Monthly Competitions

   During the Monthly Competitions, Eligible Competitors will compete against other Eligible Competitors in the same Tier in their State for the prizes described in Section 6. Eligible Competitors will be ranked within each Tier based on the number of eligible correct answers submitted via Prodigy World and Prodigy Arcadia during a Monthly Competition Period (**NOTE: questions answered in Prodigy Math Facts do not count)**. At the end of each Monthly Competition Period, Prodigy will determine the number of correct answers each Eligible Competitor has submitted during the respective Monthly Competition Period. Prodigy will award Monthly Competition Prizes to Eligible Competitors as described in Section 6, based on the Eligible Competitors in their Tier in their State for the given Monthly Competition Period as determined by the total number of correct

answers submitted by the Eligible Competitor in the Monthly Competition Period. Each Monthly Competition Period will be ranked separately and neither rankings nor answers from a prior Monthly Competition Period will carry over to a subsequent month. The winner(s) of each Monthly Competition will be declared within seven (7) business days after the end of each Monthly Competition Period and winners will be notified (the "**Prodigy State Challenge™ Winner Notifications**") by email, using contact information from the winner's Prodigy account or provided at the time of entry.

If, for any reason, (a) more than one *bona fide* winner comes forward seeking to claim a prize or (b) there is a tie, then, in Prodigy's sole discretion, (i) the applicable prize may be awarded to each such *bona fide* winner or person who submitted a tying Submission, or (ii) a single winner will be selected in accordance with the above criteria and winner selection process from among such *bona fide* winners. Each winner will be required to (A) respond to the Winner Notification (as directed in the Winner Notification) within three (3) days after its transmission and (B) complete, sign, have notarized, and postmark an Affidavit of Eligibility and Liability and Publicity Release (where not prohibited by law and if requested by Prodigy) within five (5) business days of its delivery to the winner. If a potential winner cannot be contacted, fails to respond to Prodigy's notification and/or execute and return any requested documentation within the required time, is found to be ineligible or is non-compliant with these Official Rules for any reason, then the potential winner forfeits the prize. In the event that a potential winner is disqualified or forfeits a prize for any reason, Prodigy may, in its sole discretion, award the applicable prize to an alternate winner in accordance with the criteria and winner selection process set forth above from among all remaining eligible entries or donate the prize. All prizes will be awarded provided that a sufficient number of eligible entries are received.

If the winner is unable to, or elects not to, use any part of a prize, the winner will forfeit that part of the prize and no substitute prize element or other compensation will be awarded. Any and all taxes on a prize are the sole responsibility of such prize winner. The value of any prize awarded to a winner may be reported for tax purposes as required by law, and such winner must provide any additional information requested by Prodigy so that Prodigy can comply with applicable tax reporting obligations. 11. The laws of the State of Delaware shall govern these Official Rules. While we will make reasonable efforts to resolve any disagreements you may have with Prodigy, if these efforts fail, you agree that all claims, disputes or controversies against Prodigy arising out of these Official Rules, or the Competition (**"Claims"**) are subject to fixed and binding arbitration (except for matters that may be taken to small claims court), no matter what legal theory they are based on or what remedy (damages, or injunctive or declaratory relief) they seek. This includes Claims based on contract, tort (including intentional tort), fraud, agency, your or our negligence, statutory or regulatory provisions, or any other sources of law; Claims made as counterclaims, cross-claims, third- party claims, interpleaders or otherwise; and Claims made independently or with other claims. The party filing an arbitration must submit Claims to the American Arbitration Association and follow its rules and procedures for initiating and pursuing an arbitration. Any arbitration hearing that you attend will be held at a place chosen by the American Arbitration Association in the same city as the U.S. District Court closest to your then current residential address, or at some other place to which you and Prodigy agree in writing, and the arbitrator shall apply Delaware law consistent with the Federal Arbitration Act. **YOU SHALL NOT BE ENTITLED TO JOIN OR CONSOLIDATE CLAIMS IN ARBITRATION BY OR AGAINST OTHER USERS OR TO ARBITRATE ANY CLAIM AS A REPRESENTATIVE OR MEMBER OF A CLASS OR IN A PRIVATE ATTORNEY GENERAL CAPACITY.** You may obtain copies of the current rules, and forms and instructions for initiating an arbitration by contacting the American Arbitration Association at using the contact information noted below.

American Arbitration Association
800-778-7879 (toll-free)

Website: www.adr.org

A single, neutral arbitrator will resolve Claims. The arbitrator will be either a lawyer with at least ten (10) years' experience or a retired or former judge, selected in accordance with the rules of the American Arbitration Association. The arbitration will follow the procedures and rules of the American Arbitration Association which are in effect on the date the arbitration is filed unless those procedures and rules are inconsistent with these Terms and Conditions of Sale, in which case these Terms and Conditions of Sale will prevail. Those procedures and rules may limit the discovery available to you or us. The arbitrator will take reasonable steps to protect your customer account information and other confidential information if requested to do so by you or Prodigy. Each party to the arbitration will bear the expense of that party's attorneys, experts, and witnesses, and other expenses, regardless of which party prevails, but a party may recover any or all expenses from another party if the arbitrator, applying applicable law, so determines. The arbitrator's award is final and binding on the parties unless we or you appeal it in writing to the arbitration firm within fifteen (15) days of notice of the award. The appeal must request a new arbitration before a panel of three neutral arbitrators designated by the American Arbitration Association. An award by a panel is final and binding on the parties after fifteen (15) days has passed. Any Claim you have must be commenced within one (1) year after the date the Claim arises. As noted above, you and Company hereby voluntarily and knowingly waive any right either may have to a jury trial.

ANY CLAIM YOU HAVE MUST BE COMMENCED WITHIN ONE (1) YEAR AFTER THE DATE THE CLAIM ARISES. AS NOTED ABOVE, YOU AND COMPANY HEREBY VOLUNTARILY AND KNOWINGLY WAIVE ANY RIGHT EITHER MAY HAVE TO A JURY TRIAL.

We will not choose to arbitrate any Claim you bring in small claims court. However, if such a Claim is transferred, removed or appealed to a different court, Prodigy may then choose to arbitrate.

In the event this arbitration clause is not enforceable by the specified arbitration organization, the parties will mutually agree upon another arbitration organization that will enforce this clause.

Class Action Waiver

YOU AGREE THAT, BY ENTERING INTO THIS AGREEMENT, YOU AND PRODIGY ARE EACH WAIVING THE RIGHT TO A TRIAL BY JURY OR TO PARTICIPATE IN A CLASS ACTION, COLLECTIVE ACTION, PRIVATE ATTORNEY GENERAL ACTION, OR OTHER REPRESENTATIVE PROCEEDING OF ANY KIND. CLAIMS AND REMEDIES SOUGHT AS PART OF A CLASS ACTION, PRIVATE ATTORNEY GENERAL OR OTHER REPRESENTATIVE ACTION ARE SUBJECT TO ARBITRATION ONLY ON AN INDIVIDUAL (NON-CLASS, NON-REPRESENTATIVE) BASIS, AND THE ARBITRATOR MAY AWARD RELIEF ONLY ON AN INDIVIDUAL (NON-CLASS, NON-REPRESENTATIVE) BASIS.

12. **License Grant; Assignment:** As a condition of entry, you hereby grant Prodigy a perpetual, irrevocable, worldwide, fully-transferable, fully-sublicensable, non-exclusive license to use, edit, modify, duplicate, display, print, publish, broadcast, distribute, reproduce, perform, create derivative works from and otherwise exploit the Submission throughout the world for any purpose in any and all media now known or existing at any time in the future, without further approval, notification or compensation. If the Submission is selected as a winning entry for any prize, you hereby irrevocably assign to Prodigy any and all right, title and interest in and to the Submission and all intellectual property and other proprietary rights therein in perpetuity. You hereby waive all moral rights and any similar rights in or to the Submission, including without limitation the right to be notified of or approve any modification to or derivative work derived from the Submission. You agree to execute and deliver (without additional compensation) such additional instruments of assignment, consent or release as may be requested by Prodigy to establish the ownership of record of all right, title and interest in and to the Submission and of the copyrights transferred and the moral rights waived under these Official Rules.

13. **Publicity and Intellectual Property:** Where permitted by law, by participating in the Competition, you grant each of the Promotion Parties, and those acting pursuant to the authority of any of the Promotion Parties, the right to print, publish, broadcast and use your name, school's name or any affiliated personnel (including, but not limited to faculty, employees, etc.), and students' name, portrait, picture, likeness, voice, statements

attributable to you (including comments and postings), city and state of school and other biographical information, for advertising and promotional purposes throughout the world in any and all media now known or existing at any time in the future, without further approval, notification or compensation.

14. **Privacy:** Except as otherwise contemplated in these Official Rules, personal information collected in connection with the Competition will be used in accordance with Prodigy's privacy policy: https://www.prodigygame.com/main-en/privacy-policy .

15. **Guests:** Where a prize permits any guest of a winner to participate, such winner is responsible for such guest(s) and shall ensure that such guest(s) complies with Sponsor's and each prize provider's procedures and policies. Without limiting any other restrictions set forth in these Official Rules, if any such guest is deemed a minor in such guest's state of residence, such winner must be the minor guest's parent or legal guardian in order for the minor guest to participate. If requested by Sponsor, any guest of a winner (or such guest's parent or legal guardian if such guest is deemed a minor in his or her state of residence and is permitted to participate hereunder) must complete, sign and return a Liability and Publicity Release (where not prohibited by law) prior to participation in any prize. Once a winner designates a guest, the winner cannot change such designation without the express consent of Sponsor, which may be withheld for any reason.

16. **Conduct:** By entering the Competition and accepting a prize, the winner agrees to behave in accordance with all applicable laws and generally-accepted social practices in connection with participation in any Competition- or prize-related activity. The winner understands and agrees that Prodigy has the right, in its sole discretion, to disqualify and remove the winner (and/or any guest of such winner, if applicable) from any activity at any time if the winner's (and/or any of such winner's guests) behavior at any point: (a) is uncooperative or disruptive; (b) annoys, threatens or harasses any other person; (c) may or does cause damage to any person or property or the reputation of Prodigy or any prize provider; or (d) otherwise violates any policy of Prodigy or any prize provider. In the case of any of the foregoing, the winner will forfeit all remaining elements of the prize and still be solely responsible for all taxes and other expenses related to the prize.

18. **Miscellaneous:** Decisions of Prodigy are final and binding in all matters related to the Competition. The invalidity or unenforceability of any provision of these Official Rules will not affect the validity or enforceability of any other provision. In the event that any provision of these Official Rules is determined to be invalid or otherwise unenforceable or illegal, the other provisions will remain in effect and will be construed in accordance with their terms as if the invalid, unenforceable or illegal provision was not contained herein.
