

Keep Parents in the Loop: Pre-Written Templates for the State Challenge

Hey teachers and principals!

Want to let parents know about your school's Prodigy State Challenge participation but not sure where to start? We've got you covered.

Inside, you'll find both a plain email template and a ready-to-share PDF you can copy, paste, or customize however you'd like. Use them to:

- ✓ Explain what the State Challenge is
- ✓ Share why your school is participating
- ✓ Encourage families to support students with at-home play

It's quick, simple, and designed to get parents just as excited about the State Challenge as your students are!

Customizable email template

Copy the message below and send it out to families to highlight your school's journey in the State Challenge!

Subject line options:

- Big news: we're participating in Prodigy's monthly math competition!
- Help us climb the leaderboard in the Prodigy State Challenge!

Email template:

We're competing in the Prodigy State Challenge!

Dear Parents/Guardians,

We're excited to share that our school is taking part in the Prodigy State Challenge.

Here's what it's all about and why we're participating:

- **Learning together:** The State Challenge makes math fun, motivating, and collaborative. It helps our students build confidence, improve skills, and celebrate learning together as a community.
- **Friendly competition:** Students work together by answering math questions in Prodigy, helping our school climb the state leaderboard.
- **Fun rewards:** Top schools can win in-game rewards, and first-place schools even get free memberships!

How you can help:

Create a parent account and encourage your child to keep playing Prodigy at home! Every correct answer they submit adds to our school's progress and helps us move up the leaderboard. The more students participate, the stronger our chances of winning. We're aiming for a 1st place finish in the State Challenge so we can get in-game rewards and free memberships for our students!

[Note: if your school is hosting any fun initiatives involving Prodigy and/or the State Challenge, here's a great spot to add it in!]

Let's cheer on our students and make this a math adventure to remember.

Thank you for your support,

[Teacher/Principal Name]

We're participating in Prodigy's monthly math competition!

Dear Parents/Guardians,

We're excited to share that our school is taking part in the [Prodigy State Challenge](#).

Here's what it's all about and why we're participating:
