

Teacher Appreciation Week Bundle

Thanks for Helping Us Bloom!

Your child or student(s) can show appreciation to their teachers, teacher aide, or other support staff by creating a personalized flower for them. Optional: Combine multiple children's or students' flowers in a mug or tall jar to create an unforgettable gift!

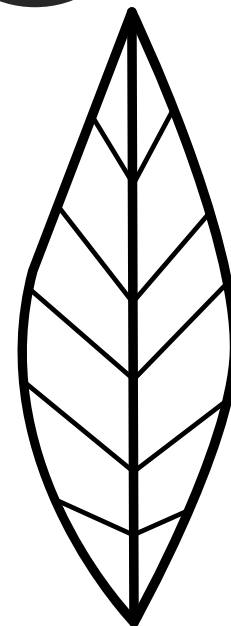

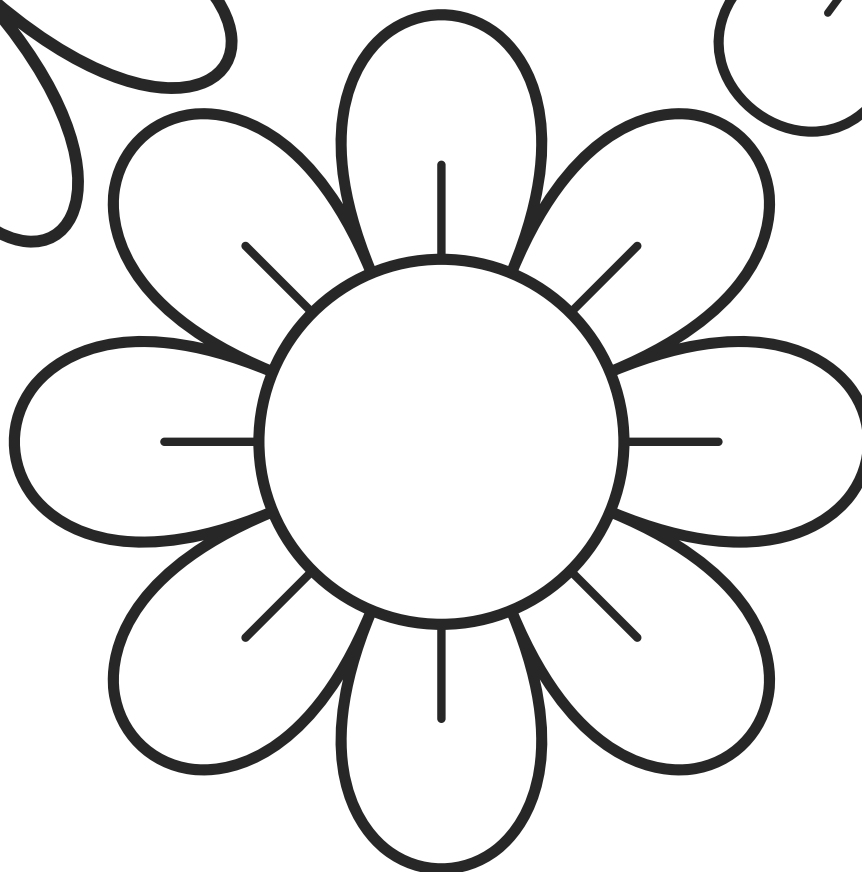

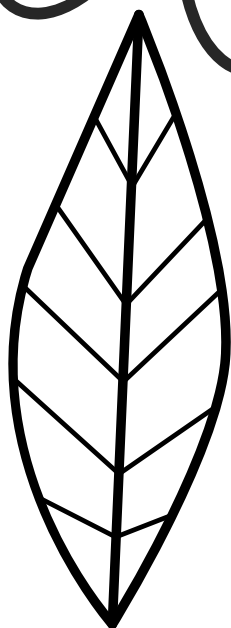

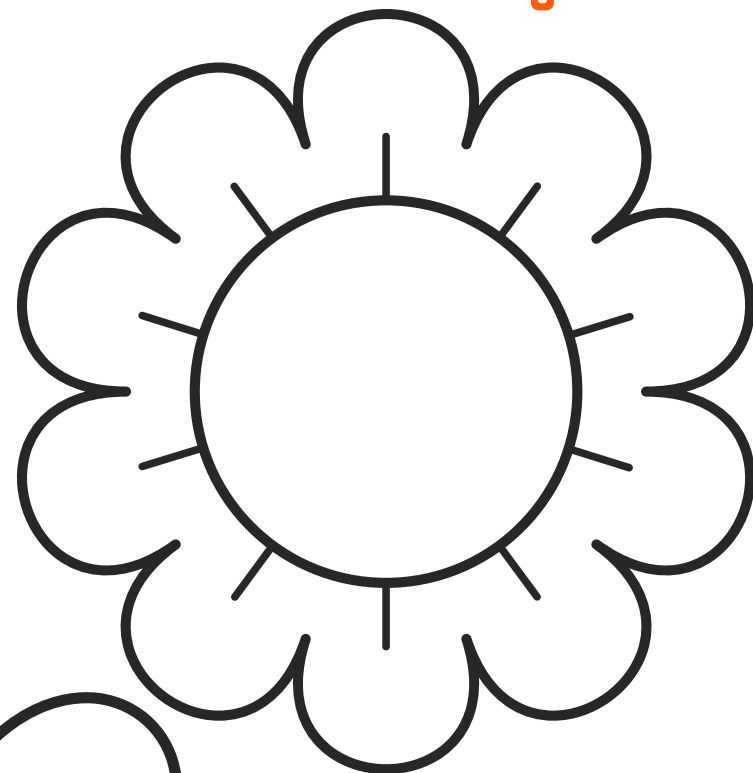

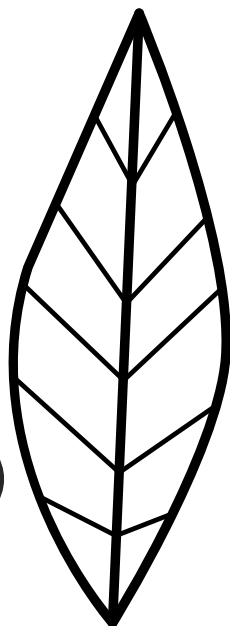

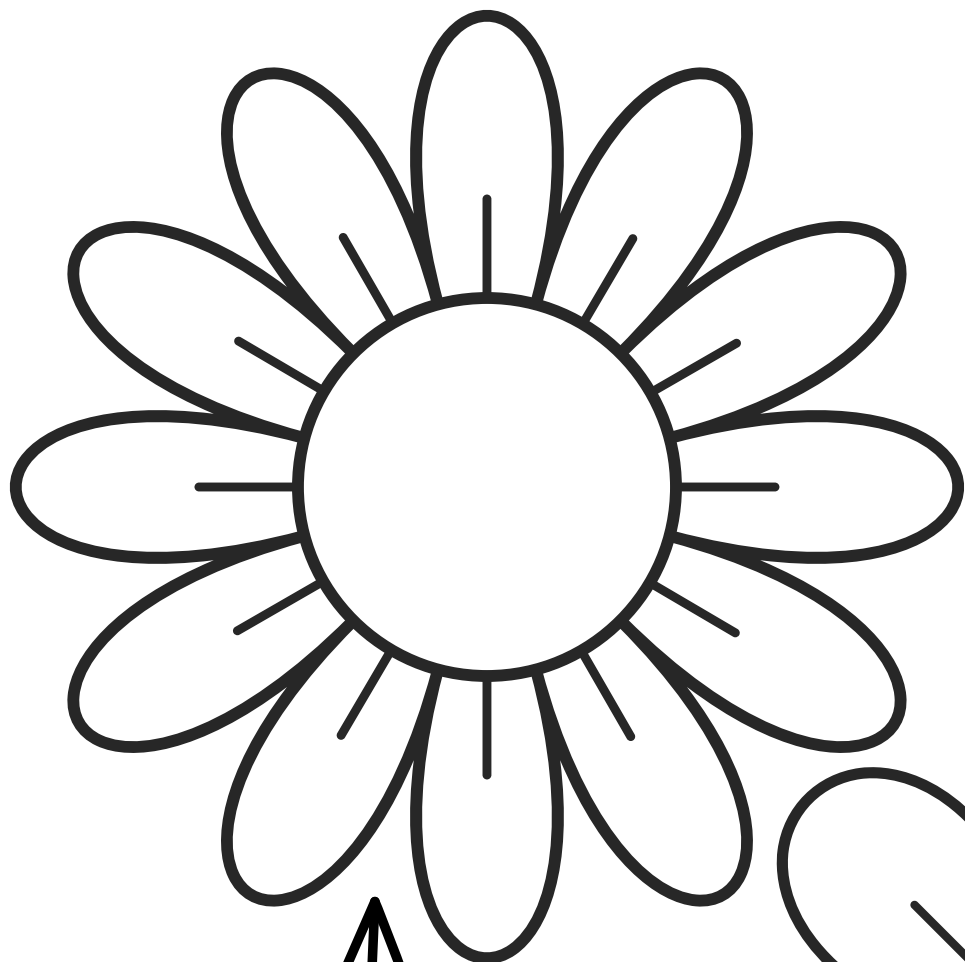

Materials

- Template of flower heads and leaves (attached)
- Wooden craft sticks or green pipe cleaners
- Pencil crayons or markers
- Scissors
- Glue or tape
- Photograph (optional)
- Small container (optional)

Instructions

1. Using the template, cut out a flower head and leaf.
2. Color in both parts using pencil crayons or markers.
3. In the center of the flower, draw a picture of yourself or cut and paste part of a photograph.
4. Create the stem: Color and attach two craft sticks together with tape or glue. Optional: twist 3-4 pipe cleaners together to create a strong stem.
5. Attach the flower head and petals to the stem.
6. Optional: Place one or a group of these completed flowers into a mug, plastic cup, or tall jar.
